In 1908 lightning killed only 169 people in this whole country. One's chances of death by lightning are less than two in a million. The chances of death from liver, kidney or stomach trouble is vastly greater, but not if Electric Bitters be used, as Robert Madsen, of West Burlington, Ia., proved. Four doctors gave him up after eight months of suffering from virulent liver trouble and yellow jaundice. He was thea completely cured by Electric Bitters. They're the best stomach, liver, nerve and kidney remedy and blood purifier on earth. Only 50c at Lee & Osgood Co.'s.
